EXPERIENCE

ProCohat Technologies Pvt. Ltd., Nagpur – Project Manager, Business Analysis & Product Execution
Jun 2024 – Jan 2026

- Led end-to-end execution of **8+ client projects** across websites, digital products, BI reporting, and creative production by translating business requirements into **sprint plans, workflows, milestones, delivery trackers, and project coordination plans**.
- Conducted **requirement gathering** sessions with stakeholders and clients, converting business needs into **functional requirements, workflow documentation, user flows, wireframes, and execution priorities** for cross-functional teams.
- Implemented **Jira across 10+ projects**, creating sprint boards, task workflows, dashboards, backlog items, and JQL-based trackers to improve delivery visibility, blocker tracking, **sprint planning**, and ownership clarity.
- Supported **Agile/Scrum execution** by coordinating **sprint planning, backlog management, task prioritization, stakeholder updates**, and delivery follow-ups across product, design, reporting, and creative workstreams.
- Created **wireframes, user journeys, and process flows** for **5+ clients**, including a healthcare application for dementia patients and caregivers, translating user needs into structured product journeys and business workflows.
- Gathered BI and reporting requirements for **3 Power BI dashboards/reports**, supporting inventory visibility, reporting workflows, **data analysis**, and business decision-making.

ProCohat Technologies Pvt. Ltd., Nagpur – Product Associate Intern, SaaS Product & Business Analysis
Jun 2023 – Dec 2023

- Contributed to early-stage **product development** for **Infivent, a ticketing SaaS platform**, by conducting feature research, reviewing usability gaps, supporting release execution, and documenting **product requirements**.
- Conducted **market research, competitor analysis, and gap analysis** to identify feature gaps, positioning opportunities, **user experience issues**, and product improvement areas.

- Coordinated with customers, product teams, and developers to track product issues, **clarify requirements**, document workflow problems, and resolve usability-related concerns.
- Analyzed **user journeys**, form-filling flows, early **wireframes**, and website experience to identify friction points and recommend improvements in completion flow.
- Supported **user story and acceptance criteria documentation** by converting usability feedback and feature discussions into clear execution inputs for the development team.

Breathing Paper, Nagpur — Marketing Intern

Aug 2022 – Jan 2023

- Conducted **market and trend analysis** to support campaign planning, brand positioning, and marketing strategy.
- Supported planning and execution of **marketing campaigns, events, and photoshoots**, coordinating ideas aligned with brand objectives.
- Contributed **social media campaign ideas** and assisted with **on-ground event marketing**, including stall management and customer engagement.

Suvidha Foundation, Nagpur — Volunteer & Campaign Leader

Feb 2022 – Mar 2022

- Led **fundraising and awareness initiatives** focused on education, digital literacy, and coding awareness for underprivileged children.
- Managed **daily campaign coordination**, team communication, and execution planning to keep volunteer activities organized and on track.
- Supported **community outreach activities** by coordinating campaign tasks, awareness efforts, and volunteer participation.

FREELANCE WORK

Cheap Marketing, USA — Creative & Marketing Support

Jul 2025 – Nov 2025

Delivered marketing creatives and video assets for client campaigns, supporting content execution for a US-based marketing agency.

Run Frenzy, Mumbai — Website Revamp Support

Sep 2024 – Mar 2025

Supported website revamp planning, design coordination, and execution, helping translate business needs into improved website structure and user experience.

PathOS, Pune — MVP Planning Support

Jan 2026 – May 2026

Assisted with MVP planning, feature discussions, and execution coordination for a product management platform.
